## Small Business Workshop Series

### *“Setting Your Small Business Up For Success”*

Are you interested in investigating a new career as an entrepreneur? Are you a new (or relatively new) business owner who needs guidance on certain topics? Are you a seasoned business owner looking to get re-energized or polish your skills? Or are you considering buying a business or starting a sideline company to supplement your income?

If you answered “yes” to any of these questions, don’t miss these informative workshops brought to you by the Jefferson County Chamber of Commerce, the US Small Business Administration and Kent State University. Led by a long-time SBA counselor with years of experience, these workshops provide an overview of issues related to starting and operating a business including business and financial planning, marketing, financing and more. Perfect for prospective owners or anyone already in business who would like to take a refresher course or learn more about specific topics.
