

- Ask A Professional -

Submission Guidelines 2018

- Please limit your article to 250 words or less.
- Information may be business related but we're also looking for good articles, tips or information that is relevant, timely and applicable to the general public and local community.
- Do not provide or include sales or marketing materials. We will link the article directly to your website.
- Submit your article along with your web address and a quality logo to tmaple@jeffersoncountychamber.com with a subject line that reads, "Ask A Professional Submission."
- The chamber reserves the right to choose which articles will run and to shorten or edit for space considerations.
- Articles that are not time sensitive will be "banked" to be used in another issue.
