Exclusive Chamber Member Windshield Chip Repair Discount

Did you know that a simple rock chip can quickly spread into a crack the whole length of your windshield? And did you also know that temperature changes can help to expedite the spread of a crack? This is a great time to get those chips filled! It's significantly cheaper to have a rock chip filled than to replace your windshield!

We are currently offering a discount to chamber members who would like to have their windshield rock chips filled.

**Special Chamber Member discount
\$49.99 plus tax. (Regular \$75)**

**Remember...We offer
mobile services so we
can come to you!**

**Offer Expires
February 15th.**
