Dear Community Friends,

On behalf of the Ohio Valley Health Center, we would like to invite you to create a team and join us on August 7th at 10:00am at Bellevue Park in Steubenville, Ohio for a new, fun opportunity:

“Kickin’ it for OVHC” Kickball Tournament.

The Ohio Valley Health Center is a non-profit 501c3. We are the only Free Medical clinic in Jefferson County, and the high-quality, compassionate medical care we provide significantly improves the lives of our patients, who are all medically uninsured and underinsured.

We are supported by and through donations, grants and a few fundraisers throughout the year. In the past, our annual Gala has raised the majority of funds to help meet our budget needs. But unfortunately, the last two years we have not been able to have this fundraiser due to COVID 19. Like many non-profits, the loss of that revenue has been detrimental to our operational budget.

The Health Center has been revitalized with new leadership, many new medical providers and a strong desire to reach out to our community and make them aware that we are here, open for care and accepting new patients!

Please join us for this new opportunity to have fun, build community and team spirit, and help raise funds for a great cause!

Thank you for your support!
