Jazz is the only uniquely American art form. Your ticket and donations support this legacy for a new generation.

BackCountry Jazz (BCJ) is a presenter and creator of outstanding concerts with major jazz artists and rising stars since 2007.

In 2010, BCJ stepped in to meet the need for quality music education for underserved students in the Bridgeport area. BCJ's Music Education Program now operates throughout the year to enrich the experience of students and create new opportunities for young musicians.

Our tuition-free programs include the BackCountry Jazz Summer Music Camp, the After-School Music Program, the Mentorship Program, scholarships, student performing ensembles, instruments, workshops, master classes, and exciting concerts and events with artists and educators who perform and teach at the highest level of excellence.

Through concerts and music education programs, BackCountry Jazz celebrates, preserves and expands the rich tradition of America's music, Jazz.

Thank you for your support.
