

# IT'S SOCKTOBER!

Donate NEW SOCKS  
at **Bloomingtondale  
Public Library**  
throughout  
October!

## WHY?

An estimated  
600,000 people  
live on the streets  
in the US and need  
simple things, like  
socks, to help them  
through the night.

Socks are the #1 needed  
clothing item for those in  
need, but are the least  
donated item of clothing  
in homeless shelters.
