## EMPLOYEES OF THE MONTH:

JUNE 2016

**James Baird**, has been recognized based on his outstanding work habits, communication skills, and his ability to be dependable and reliable in the field. He is an outstanding operator that wears multiple hats from unloading, material handling, clean up and keeping track of tool inventories. His positive attitude and willingness to do whatever it takes to get the job done brings tremendous value to the company.

JULY 2016

**Matt Bennett** recently graduated from the ABC Metro Washington Plumbing Apprenticeship Program with class Valedictorian honor. His peers describe him as “someone who possesses multiple talents that can be utilized to go that extra mile. A person who has a very keen sense of his surroundings and who pays a great attention to detail.” His supervisors describe him as “a person who has outstanding work ethic”, going on to say that “Matt has the qualifications to work on any job and in any role. His motivation to succeed is something that people relate to and it inspires others to become motivated.”

AUGUST 2016

From HVAC Technician to Assistant Service Manager, **Matt Jay** has lived up to his full potential. Working long hours, processing repair quotes to assisting service technicians in the field, and running service calls shows he is dedicated to his new role. In addition, Matt helped upgrade our tech tool system by fixing issues with the software and helped shorten the time it takes to get repair quotes completed in the field. He is always looking for ways to improve efficiencies of scale throughout the service department.
