SERMON NOTES

Title: "The Lesson of Ai"

Text: Joshua 7:1-5 (MSG)

Then the People of Israel violated the holy curse. Achan son of Carmi, the son of Zabdi, the son of Zerah of the tribe of Judah, took some of the cursed things. God became angry with the People of Israel. Joshua sent men from Jericho to **Ai** (The Ruin) which is near Beth Aven just east of Bethel. He instructed them, "Go up and spy out the land." The men went up and spied out **Ai**. They returned to Joshua and reported, "Don't bother sending a lot of people—two or three thousand men are enough to defeat **Ai**. Don't wear out the whole army; there aren't that many people there." So three thousand men went up—and then fled in defeat before the men of **Ai**! The men of **Ai** killed thirty-six—chased them from the city gate as far as The Quarries, killing them at the descent. The heart of the people sank, all spirit knocked out of them.

Does God have a favorite football team?

What is **AI**?
