

A Drag Queen show for “ALL AGES” will be taking over the Rosedale Shopping Center on May 19th, a Sunday afternoon, organized by the same group (Flip Phone) that brought 2018 “Drag Queen Story Time for Kids” to St. Paul Public Libraries.

Please contact Rosedale Management

**Tell them that shopping centers are no place for drag shows.
And drag shows are no place for kids.**

Shopping doesn't have to be a drag?!
Join us for 2019's biggest drag show, in a MALL!
Flip Phone is taking over Rosedale Center!
SHOP TILL YOU DRAG
The show is ALL AGES.

There will be bars placed around the mall,
so you can enjoy a cocktail during the show.

Drag Queen Story Time for Kids is fast becoming an aggressive outreach for LGBTQ evangelizers to influence young, impressionable children. They bring radical gender ideology into all places children will be, mainstreaming gender confusion and garish distorted stereotypes of women's bodies and character.
