p4c Hawaiʻi Summer Symposium
July 2021 | Online

Schedule of Events
9:30 - 10:15 AM  TECH CHECK (OPTIONAL)
Provide an opportunity for participants to make sure they can properly log in and use common functions of any apps or websites we’ll be using.

Facilitator: Scott Allen
Meeting Link: TBD

10:15 - 10:45 AM  WELCOME: SYMPOSIUM INTRO & OVERVIEW
Participants will gather together for the first time and be welcomed to the p4cHI Summer Symposium. This will include an overview of the symposium and daily agendas.

Facilitator: Ben Lukey
Meeting Link: TBD

10:45 AM - 12:30 PM  BUILDING A COMMUNITY OF INQUIRY
In this session participants will begin the process of creating an intellectually safe community of inquiry by creating a virtual Community Ball. A hallmark strategy of p4cHI, the Community Ball is used for building relationships among participants, facilitating dialogue, and mediating turn taking during inquiry.

Facilitator: Ben Lukey
Meeting Link: TBD

1:00 - 2:00 PM  WONDER.ME HANGOUT (OPTIONAL)
Offering participants a shared and flexible virtual space to continue conversation and reflect on day’s sessions.

Facilitator: Thomas Jackson (Dr. J)
Meeting Link: TBD
10:00 - 11:00 AM

**STUDENT OBSERVATION (OPTIONAL)**
Observe students doing p4c as part of their virtual summer school activity.

**Facilitator:** Toby Yos  
**Meeting Link:** TBD

---

2:00 - 4:00 PM

**ONLINE PUBLIC TALK**
What is progressive philosophy’s current impact on individuals, schools, and society?

This public talk will feature a diverse panel who will explore the questions, “What is progressive philosophy, and what might be its impact on individuals, schools, and society today?”

**Facilitator:** Amber Makaiau  
**Meeting Link:** TBD
10:00 - 11:00 AM  
**INTELLECTUAL SAFETY**
*In this session, participants will engage in activities used to introduce and develop the concept and understanding of Intellectual Safety.*

**Facilitator:** Ben Lukey  
**Meeting Link:** TBD

11:10 AM - 12:30 PM  
**A PHILOSOPHER’S PEDAGOGY**
*Participants will be introduced to the Philosopher’s Pedagogy, including the six commitments made by successful p4cHI practitioners. This session will include multimedia presentations and the opportunity for participants to engage in a large group Plain Vanilla philosophical inquiry.*

**Facilitator:** Chad Miller  
**Meeting Link:** TBD

1:00 - 2:00 PM  
**WONDER.ME HANGOUT (OPTIONAL)**
*Offering participants a shared and flexible virtual space to continue conversation and reflect on day’s sessions.*

**Facilitator:** Thomas Jackson (Dr. J)  
**Meeting Link:** TBD
10:00 AM-12:30 PM

PLAIN VANILLA

“Plain Vanilla” is the “flagship” philosophical inquiry framework of p4c Hawai‘i where participants engage with a stimulus, generate questions, vote on the question/wondering they want to pursue, using a set of assessment criteria to judge the progress of their community and inquiry.

Facilitator: TBD
Meeting Link: TBD

1:00 PM-2:00 PM

WONDER.ME HANGOUT (OPTIONAL)

Offering participants a shared and flexible virtual space to continue conversation and reflect on day’s sessions.

Facilitator: Thomas Jackson (Dr. J)
Meeting Link: TBD
STUDENT OBSERVATION (OPTIONAL)
Observe students doing p4c as part of their virtual summer school activity.

Facilitator: Toby Yos
Meeting Link: TBD
10:00 AM-12:30 PM  USING THE GOOD THINKER’S TOOLKIT
Participants will be provided with a broad overview of the p4c Hawaii Good Thinker’s Toolkit (GTTK). They will learn about the historical and pedagogical contexts that led Dr. Thomas Jackson to develop the GTTK. Participants will then examine the GTTK in more depth. They will learn more about the individual tools and how to practically use them in order to help students to think more deeply.

   Facilitator: Toby Yos
   Meeting Link: TBD

1:00 - 2:00 PM  WONDER.ME HANGOUT (OPTIONAL)
Offering participants a shared and flexible virtual space to continue conversation and reflect on day’s sessions.

   Facilitator: Thomas Jackson (Dr. J)
   Meeting Link: TBD
10:00 AM - 12:30 PM

**PRACTITIONER ROUNDTABLE / “COCKTAIL HOUR”**
Participants will learn about the ways that p4cHI pedagogy is being applied in different contexts and will have an opportunity to talk with p4c Hawaii teachers, researchers and other practitioners.

**Facilitator:** TBD  
**Meeting Link:** TBD

1:00 - 2:00 PM

**WONDER.ME HANGOUT (OPTIONAL)**
Offering participants a shared and flexible virtual space to continue conversation and reflect on day’s sessions.

**Facilitator:** Thomas Jackson (Dr. J)  
**Meeting Link:** TBD
10:00 - 11:00 AM

**STUDENT OBSERVATION (OPTIONAL)**

Observe students doing p4c as part of their virtual summer school activity.

**Facilitator:** Toby Yos

**Meeting Link:** TBD
**CLASS “VISIT” DISCUSSION/REFLECTION**
Participants discuss and reflect on p4c sessions observed or participated in with Dr. Toby’s summer group.

**Facilitator:** TBD  
**Meeting Link:** TBD

**REFLECTION & ASSESSMENT TOOLS/ACTIVITIES**
Participants will be introduced to the many reflection and assessment tools used by p4c Hawaii educators and have an opportunity to discuss the challenges and opportunities of evaluating p4c Hawaii.

**Facilitator:** Amber Makaiau & Chad Miller  
**Meeting Link:** TBD

**PARTICIPANT PRESENTATIONS OF LEARNING AND REFLECTION/EVALUATION**
Participants will share their reflections on the week and how they think they will apply the experience of the p4c Hawaii Summer Symposium in their own contexts. Participants will also have the opportunity to dialogue and reflect on their experiences in the symposium.

**Facilitator:** Ben Lukey  
**Meeting Link:** TBD
