Letter from the President & Executive Director

Executive Director
Douglas A. Dolph

United Way of St. Clair County (UWSCC) had its fair share of challenges and victories this past year. Through these challenges we have witnessed the heart and purpose of our United Way. Every day, UWSCC steps up through providing critical health and human services funding for the benefit of our county's residents.

COVID-19 has presented unprecedented challenges for our county. Many local businesses were ordered to close and county residents were quarantined in their homes in mid-March. The result: skyrocketed unemployment and many residents have been left in a new reality of uncertainty and concern. In times of adversity, we find ourselves drawing close to the people we love and trust. We do this as a natural reaction to fear and uncertainty as our loved ones bring comfort, support, and resources to aid us through the tough times in our lives. UWSCC becomes that critical support system for families that have nowhere else to turn.

Through your generosity over many years, UWSCC was ready to respond to the challenges this pandemic presented. We are proud to do our part to ensure our county thrives in all different environments. It's why every dollar that is donated matters for our community. It's why the United Way annual campaign is so critical for our community, as we never know what challenges await. We still don't know the full impact of COVID-19; however, with all of your continued support we will be ready to address any new challenges that come our way.

As with any challenge comes opportunity. In those opportunities came several victories to celebrate as a community. Here are a few:

- Emergency Services Fund recognized significant growth from individuals, organizations, and businesses to help meet needs in our county stemming from COVID-19.
- Several food trucks were sponsored by UWSCC to assist in feeding our community.
- Our Medical Loan Closet continued to serve as residents struggled to gain access to medical equipment and supplies.

This year, Doug Dolph has decided to retire from his role as Executive Director after many years of service. On behalf of the Board of Directors, we would like to thank Doug for his leadership and passion for the organization. In addition, we are excited and proud to have Brent Gillette transition seamlessly into the Executive Director role. UWSCC is in great hands and positioned well for the future.

My deepest gratitude goes out to our dedicated staff and volunteers. You are the true heartbeat of this organization. Without you, we simply cannot function at levels needed to provide for our community. I am honored to serve you all and grateful for the challenges and the victories.

Together, we can't fail.

Thank you for your support,

Danny Negin
Board President

Citizen's Review Committee Chair Report

The Citizen's Review Committee (CRC) annually reviews proposals submitted by local affiliated organizations to reduce the need for emergency services, teach youth life skills, improve quality of life through health and advocacy, and help adults through education and training. There are over 20 members on the CRC.

Through this review process, the CRC recommended that 24 programs offered through 20 affiliated organizations be supported that include handicapped ramp construction, shelter for homeless and displaced adults, counseling, home health and hospice care, after school programming for youth and scouting. In addition, UWSCC directly supports 211 (call for help) services, Michigan Vocational and Rehabilitation to facilitate employment, transportation for the blind, and the UW Emergency Services Fund for unique emergency requests.

The CRC regularly reviews reports submitted by the organizations to assure that they have met local needs and that their program performance indicators have been fulfilled. A number of affiliated and non-affiliated organizations have attended CRC meetings in order to become better acquainted with the services they provide.

There are changes in social, health and economic needs that many individuals in St. Clair County face on a daily basis. The CRC reviews new organization requests, programs, and concepts to determine if and how these needs can be met.

Stebbins Family Fund ~ Leadership Challenge Grant

We are grateful for the generous matching opportunity from the Stebbins Family Fund for our 2019 Campaign ~ their Leadership Challenge Grant. They embraced Michelle's theme of Give a Little Bit and took it one step further by asking us all to Give a Little Bit *More*. Their hope was that their matching challenge grant would inspire others to increase their giving so we, as a community, can provide additional health and human services to those who are struggling.

The Leadership Challenge Grant was a great success! It matched new dollars raised by Leadership contributors, dollar-for-dollar, up to $25,000! Thank you to all who accepted the challenge of raising the bar of community support for our neighbors who need us most! Through this challenge, we raised $29,549.04 NEW dollars on top of their $25,000 matching gift!

Service Programs 3%
Community Initiatives 14%

* An additional $45,000 in Dental Services were provided by My Community Dental Center

§ *Please note: The funds reported in this document are pre-audit.*

Emergency Services Fund

In anticipation of the affect the COVID-19 pandemic would likely have on St. Clair County residents, service organizations, and businesses, our Board set aside $100,000 for COVID-19 relief grants. It is to be transferred from our reserves into our Emergency Services Fund as the need arises. As of the end of our fiscal year, Meijer, Inc. and Community Foundation for Southeast Michigan contributed $26,000 and $10,000, respectively, to our Emergency Services Fund to boost our relief efforts. Also as of that date, the grant application process, through the CRC, was open for any organization or business who needed help with unforeseen expenses related to COVID-19.

Emergency Food & Shelter Program (EFSP)

Phase 36 (Federal) Funding $82,214 = Emergency Food: $35,731 (43.5%) + **Shelter Services: $46,483** (56.5%)

United Way of St. Clair County is the local Board Administrator for the Emergency Food and Shelter Program (EFSP).

Campaign Chair
Michelle Shepley

Campaign Chair Report

It was when I was driving down an empty road and Supertramp's, "Give a Little Bit," came on the radio that I was certain I would accept the honor of being the 2019 Campaign Chair for United Way of St. Clair County. The lyric that played goes, "Give a little bit, give a little bit of your time to me, see the man with the lonely eyes, oh take his hand, you'll be surprised."

It can be easy to get caught up in the day to day activity of what you do, and forget why you're doing it. In that moment in my car, however, I remembered. I remembered the vital work that our United Way does for this community. I remembered the "least of these" who need a helping hand.

Most of all, I remembered that if everyone of us is able to give a little bit of our time, talent, and treasure, together, we can truly make this community a better place for all.

My campaign journey started in my car, choosing to "give a little bit" and becoming your 2019 Campaign Chair, and has culminated in all of you choosing to do the same by collectively giving $1,170,700 to our local community.

I am proud of what our team was able to accomplish in such a short time, and humbled by the amount we raised for those in need. Thank you for trusting me with this responsibility, and thank you all for giving a little bit and making a big change!

United Way

United Way
of St. Clair County

Give Help ~ Get Help
LIVE UNITED

Our Mission

"To mobilize the community of St. Clair County to raise funds and/or resources to meet identified human service needs with the highest level of accountability and community involvement."

Our Values

United Way of St. Clair County has adopted the following values as the base upon which all organizational decisions are screened:

- Valuing diversity in governance, operations, and allocations with donor representation in all decision-making processes.
- Helping families and individuals to help themselves by focusing on preventative solutions wherever possible.
- Promoting the development of community wide collaborative and cooperative services.
- Assuring the highest levels of accountability by maintaining a standardized and impartial relationship with all service providers.
- Fostering a spirit of caring and social responsibility in individuals and employers.
