FOUNDATION

Camp Colley, the City of Phoenix's summer camp maintained and managed by the Phoenix Parks & Recreation Department, is funded and operated by the Camp Colley Foundation.

To recognize our long standing relationship with the City, Camp Colley Foundation has reserved three week-long sessions in July specifically for the children or relatives of City of Phoenix employees. For \$430 children attend Camp Colley's 5-day, 4-night program including transportation to-and-from Phoenix. This rate is hundreds of dollars less than similar camps.

Camp Colley participants learn:

Leadership Skills

Interpersonal Relationship Skills

Environmental Sustainability

Confidence and Self-Esteem

In addition, participants will have an opportunity to try new things while developing an affinity for nature.

Camp Colley Foundation, a local 501(c)3, serves over 700 children annually.
