

— How does your vote in the WZC elections support our values?

The funds allocated through the WZC help Reform congregations and communities on the ground in Israel live these values and work to integrate them into Israeli society. Your votes also appoint delegates who champion these values.

Our values include:

- **Shared Humanity (*B'tzelem Elohim*):** We see everyone as created in the divine image and, as such, treat everyone with respect, dignity, and kindness.
- **Justice (*Dirshu mishpat*):** We seek justice for all people throughout the world.
- **Belonging (*Atem nitzavim hayom kulchem*):** We build, connect, and enrich communities – congregations, camps, programs, social justice work, and more – where youth and adults across all identities, generations, and lived experiences feel a deep sense of belonging.
- **Learning (*Talmud Torah k'neged kulam*):** We honor Torah; wrestle with Jewish traditions and beliefs, including God; and engage directly with the difficult questions of our age.
- **Evolving (*U'vtuvo mechadesh b'chol yom tamid ma'aseh v'raysheet*):** We awaken to new awareness, holding ourselves accountable for changing as we grow.
- **Israel and Jewish Peoplehood (*Kol yisrael arevim zeh ba'zeh*):** We are committed to the safety and vitality of the Jewish people and to a secure and just state of Israel as a home – for all Jews and for all its inhabitants.
