

ORANGE MADE is a design firm that works on a wide variety of project types. We are looking for a team member who has pride in the work they do and is looking for a challenge to join our team. For this position, we are seeking talented designers with the desire to be in a creative and collaborative office. Ideal candidates must thrive in a self-directed environment, have sound judgement, and an overactive attention to detail. Frequently, persons in this position will work on multiple projects, so the ability to stay organized and manage time carefully is important. Role includes design and documentation in all phases of design.

ORANGE MADE is seeking a full-time Intern Architect / Project Manager, beginning immediately, with the following qualifications:

- Professional degree in architecture
- 3+ years of experience working in an architectural firm preferred
- Proficiency using AutoCAD and SketchUp for drawing and drafting is required
- Competence in Adobe Creative Suite (Photoshop, Illustrator, InDesign), and MS Office
- Experience in field measuring & converting measured drawings into CAD is a plus
- Ability to produce and manage small to medium size architectural projects
- Conscientious, detail oriented, with a desire to take on responsibility
- Ability to communicate design ideas via hand sketching, 2D + 3D computer renderings and verbal presentation skills
- Knowledge of architectural design, and documentation
- Excellent writing/communication skills
- Must be willing to attend site visits
- Available for full time employment

We hope to add individuals that bring an open mind to learn and a willingness to teach us new capabilities.

Please send a cover letter, copy of your resume, and if available, a current edition of your digital portfolio to hello@orange-made.com for review.

We will contact you if your qualifications align with our needs. No phone calls please.

Salary will be commensurate with experience and qualifications.
