EDUCATION

2018-2022

UTSA Bachelor in Architecture

During my bachelor's in architecture, I developed foundational design skills and gained proficiency in software such as Photoshop, Rhino, and Revit.

- (2019-2021) Latinos at UTSA
- (2022) Women's Intramurals soccer

2022-2024

UTSA Master in Architecture

During my master's program, I built upon the design skills I developed during my bachelor's studies, pushing them to a more advanced level. My thesis focused on multigenerational housing, with an emphasis on incorporating accessibility into the design.

SPRING 2023

Historic Preservation Certificate (*Graduate, Spring 2023*)

During my master's program, I earned a Historic Preservation Certificate, a passion that began during a semester in Rome. There, I gained an appreciation for the importance of preserving buildings for future generations.

- (Spring 2023) Sapienza Universita di Roma
