Education

SECONDARY SCHOOL

Idea Edinburg College Preparatory

2019-2023

BACHELOR OF TECHNOLOGY

Texas A&M University

Class of 2027

Portfolio

Experience

CONSTRUCTION AND REMODELING

Gonzalez Construction

2018-2023

- Assisted in residential and commercial remodeling projects, including flooring, painting, and structural modifications.
- Worked with contractors to implement designs and ensure quality construction.
- Gained hands-on experience in material selection and project execution.

G2 Restorations

2021-2023

- Identified and removed mold in residential and commercial buildings.
- Applied industry-standard remediation techniques to ensure safe environments.
- Used specialized tools and protective equipment for effective mold treatment.

OBJECTIVE

I'm seeking an internship to apply design skills, software proficiency, and hands-on construction experience in a professional setting.
