Bio

I am a student enrolled in the Architectrue program here at Texas Southmost College. I hope to achieve a Master's Degree in Architecture so I can work on getting my license as an Architect. Right now, I'm seeking for internships to help start stacking up my hours and to gain experience of the business.

Education

High School Diploma

- River Early College High School
(2020-2024)

Associates Degree in Arts

- Texas Southmost College (2020-2024)

Work Experience

Brownsville Piano Studio - Office Manager

[11/05/2023 - 7/20/2024]

- Handled scheduling and payments for new and enrolled customers while also inform others about the business

Cutco - Sales Rep

[6/15/2024 - 7/20/2024]

- create rapport with clients through regular communication channels including phone calls, emails, meetings.

Staples - Print & Marketing Specialist

[7/20/2024 - CURRENT]

- performing print orders for customers and clients that include simple prints, posters, blueprints, business cards, invitations, banners, signs, laminations, and so on.
