# YWCA Providence Place Family Sponsorships

YWCA of Greater Baton Rouge is proud to announce the opening of **The Providence Place Apartment Community**. The mission of YWCA Providence Place is to provide affordable safe housing to survivors of domestic violence as they rebuild their lives. Our freshly designed, beautiful twelve-unit complex is in Baton Rouge's Historic Scotlandville community. YWCA Providence Place features a washer, dryer, microwave, stove, and refrigerator; in addition to all utilities paid. To eliminate barriers to independent living, residents are paired a YWCA Case Manager for Continuity of Care Services. Those services include YWCA Workforce Development, Early Head Start/Childcare, Homeless Prevention, Teen Intervention, Domestic Violence Counseling, and YWCA Legal Services to empower our families as they build their skills and enhance their lives.

We invite you to join us as we work to transform lives at Providence Place. YWCA is extending a special invitation to you as an individual, an organization or company to become a "YWCA Providence Place Family Sponsor." The funds will provide much needed furnishings for Providence Place apartment, including for mothers and their children. YWCA's aspiring vision is to have every family walk into a fully furnished and comfortable unit that feels like home!

Listed below is the YWCA Providence Place Family Sponsorship Package and its benefits. With your generous contribution, YWCA will be closer to successfully completing our mission.

**To become a YWCA Providence Place Family Sponsor, please contact Shatonda at [chandlers@ywca-br.org](mailto:chandlers@ywca-br.org) or 225-383-0681.**
