

ANNUAL REPORT 2018

Collaboration. Prevention. Results.

With so much forward momentum on revitalizing the Alliance, we are very excited to share our new direction with you as we build healthy communities through substance abuse prevention, wellness, and recovery support. Our new mission is: **Through substance abuse prevention, mental and physical wellness, and recovery support programs, the Alliance connects, strengthens, and mobilizes strategic partners to promote healthier communities.**

A great achievement for the Alliance was receiving the CADCA (Community Anti-Drug Coalitions of America) 2018 GOT OUTCOMES! Coalition of Excellence Long-term Outcomes Award! This award highlights the work we have done to achieve successful population level change in Oakland County.

With 19 strong prevention coalitions blanketing Oakland County with resources and tools, we encourage you to reach out in your local communities and get involved. We are stronger together.

Fiscal Year Funding

October 2017 - September 2018

\$1.4 million

The Alliance received \$1,387,436 for fiscal year 2017-2018 from Oakland Community Health Network (OCHN). OCHN and its network of service providers identify, influence, and deliver public mental health services to more than 25,800 Oakland County citizens.

\$125,000

The Alliance was awarded a \$125,000 grant from the Drug-Free Communities (DFC) Support Program. These grants are meant to provide local community coalitions funding to prevent youth substance use, including prescription drugs, marijuana, tobacco and alcohol.

\$75,000

The Alliance's efforts to mentor Genesee County Community Coalition and Lakes Area Community Coalition were increased thanks to a \$75,000 grant from the Drug-Free Communities Mentoring Support Program (DFCM). Extensive training on the Strategic Prevention Framework and capacity building to increase prevention efforts were a strong focus this year.

\$70,000

Blue Cross Blue Shield's *Taking Action on Opioid and Prescription Drug Abuse in Michigan by Supporting Community Responses* grant allows the Alliance to implement a three-pronged strategy that increased resources for Oakland County residents to combat the negative consequences of the opioid epidemic including Naloxone training, piloting Resolve, and increasing the availability of prescription drug disposal opportunities throughout Oakland County.

\$30,000

Other donations consisted of things that the Alliance did throughout the year such as special events and support of donors resulting in funding to the Alliance of \$30,287.
