

## **EXECUTIVE ORDER**

**No. 2020-59**

### **Temporary requirement to suspend activities that are not necessary to sustain or protect life**

#### **Rescission of Executive Order 2020-42**

Businesses, operations, and government agencies that remain open for in-person work must adhere to sound social distancing practices and measures, which include but are not limited to:

- a. Developing a COVID-19 preparedness and response plan, consistent with recommendations in Guidance on Preparing Workplaces for COVID-19, developed by the Occupational Health and Safety Administration and available [here](#). Such plan must be available at company headquarters or the worksite.
- b. Restricting the number of workers present on premises to no more than is strictly necessary to perform the in-person work permitted under this order.
- c. Promoting remote work to the fullest extent possible.
- d. Keeping workers and patrons who are on premises at least six feet from one another to the maximum extent possible.
- e. Increasing standards of facility cleaning and disinfection to limit worker and patron exposure to COVID-19, as well as adopting protocols to clean and disinfect in the event of a positive COVID-19 case in the workplace.
- f. Adopting policies to prevent workers from entering the premises if they display respiratory symptoms or have had contact with a person with a confirmed diagnosis of COVID-19.
- g. Any other social distancing practices and mitigation measures recommended by the CDC.
- h. For businesses and operations whose in-person work is permitted under sections 10(c) through 10(e) of this order, the following additional measures must also be taken:
  1. Barring gatherings of any size in which people cannot maintain six feet of distance from one another.
  2. Limiting in-person interaction with clients and patrons to the maximum extent possible, and barring any such interaction in which people cannot maintain six feet of distance from one another.
  3. Providing personal protective equipment such as gloves, goggles, face shields, and face masks as appropriate for the activity being performed.
  4. Adopting protocols to limit the sharing of tools and equipment to the maximum extent possible and to ensure frequent and thorough cleaning of tools, equipment, and frequently touched surfaces.
