PRESS RELEASE FOR IMMEDIATE RELEASE

Lake County-Focused Coronavirus Information

Lake County, CA (April 17, 2020) – The County of Lake’s Health Services and Information Technology Departments have developed the “Lake County Coronavirus Response Hub,” a truly outstanding tool for people seeking up-to-date Lake County-specific information and health-focused resources on COVID-19:

<https://lake-co-ca-coronavirus-response-lakecoca.hub.arcgis.com/>

Check it out now, and be sure to scroll down the page, and click the link for the Lake County COVID-19 Story Map, featuring data from Lake and neighboring counties, as well a “Lake County Report” tab with valuable demographic data and the current total of confirmed Lake County cases:

<https://lake-co-ca-coronavirus-response-lakecoca.hub.arcgis.com/app/5fd8dd6895b541c99bc5ee47939ca71a>

Also included are embedded social media feeds from County Public Health, Lake County Sheriff’s Office, the County of Lake, and the CDC.

Those who utilized Public Health’s daily COVID-19 Dashboards will want to regularly visit the new Hub!

Further Lake County-focused COVID-19 resources, including copies of Public Health Orders and Press Releases, are available at <http://health.co.lake.ca.us/Coronavirus.htm>.

If you still have questions, you can email them to MHOAC@lakecountyca.gov.

During business hours, you can also call 707-263-8174.

Your cooperation with the Shelter-in-Place Order and other guidance is making a difference, and helping to keep our communities’ most vulnerable individuals safe!

Thank you for continuing to:

Stay Informed. Stay Safe. **Stay HOME.**
