Seventh Case of COVID-19 Identified in Lake County

Gary Pace MD, MPH

Lake County, CA (April 30, 2020) – A seventh case of COVID-19 has been confirmed in Lake County. The person had contact with an identified case outside of the county, and they have mild symptoms and are currently isolating at home.

No further information will be given, in order to protect the person's identity.

In order to decrease the entrance and the spread of the virus in our area, we again encourage people to stay at home except for essential activities, and to use facial coverings when outside of the house.

For Lake County-specific Coronavirus information, please continue to visit the Lake County Health Services Department's website, <http://health.co.lake.ca.us>.
