

From Mr. Sullivan's Office

Another awesome SEAS DC trip! Last Tuesday 37 of us traveled to Washington DC for four packed days of sights. We toured the Capitol, visited Gettysburg, stopped by a lot of monuments and memorials, visited the Shrine of St. Elizabeth Ann Seton, participated in a wreath laying ceremony at Arlington National Cemetery, and so much more. Students in 6th-8th grade are able to make the trip, which takes place every two years. A big thank you to Mrs. Talley for helping to organize the trip, Mr. Wagner, and to all the parents who chaperoned.

November 1st will now be a workshop day at the main campus. As announced in an email on October 11th, teachers will be working on meeting the requirements of the Read Act and catching up on accreditation work on November 1st. Our traditional 3rd grade saints presentation will be before mass on October 30th at school, starting at 9:15. All-day BASE will be available on 11/1. If you are interested, please reach out to the BASE Director Leonie Bester at lbester@seas-school.org.

Do you have a plan to vote in the current election? Before leaving for DC, I stopped by Woodbury City Hall to vote in the coming election. Polls usually are not open in the morning when I leave for work on election day, so I try to take advantage of early voting when I can. After being in DC, I am so grateful I did. It's probably impossible to go on that trip and not feel a sense of duty to exercise your rights as a citizen. Voting is a fundamental way to express our values and shape our future. I encourage everyone to participate in the upcoming elections—your voice matters!

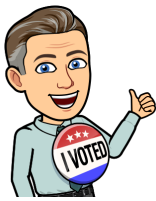

Playoffs for our volleyball teams began this week. Our 6th Grade C team played their first game last night and won. They play again tonight at Holy Spirit at 7:00pm. Our 7th grade B team plays on October 23rd at Holy Spirit at 8:00pm. Our 8th grade team also plays on the 23rd at 8:00pm at Nativity. The girls and their coaches have been working hard all season and we wish them all the best as they strive for excellence. Go Patriots!

In case you missed it, overall class MAP scores are on the next page.

God bless you all and have a great week,

Mr. Sullivan

Our MAP Scores once again demonstrate the benefits of a SEAS' education. Almost every grade level surpassed the Norm RIT level. Our 7th and our 8th graders exceeded the Norm for 11th graders in Math and Language Arts. We are very proud of our students and their effort.
