**One down, many more to go!** We are so grateful that you have chosen SEAS to be your child's school. As a ministry of St. Elizabeth Ann Seton Parish, our ultimate goal is to create disciples of Christ. Our school mission states that we are here to work with you to help make Jesus Christ known and loved. It's important to note that we see this as a partnership- school and families working together.

**We welcomed SEAS graduating Class of 2033 to the main campus today.** Students lined the hallways to say hello to our kindergarten class. Then we all gathered in the gym for the saint-of-the-day, our mission, morning prayer, and pledge of allegiance. We also introduced our staff and discussed the SEAS Way. Look for the welcome video soon on our social media accounts.

As a school, we gathered in the gym to recite our mission statement, morning prayer, and pledge of allegiance. We also discussed **The SEAS Way**, which is our expectations for students to live out the mission of the school. A copy of The SEAS Way is on the second page of this letter. It's a great teaching tool for home as well!

**Parent Nights have been scheduled.** On these nights parents visit classrooms to meet the teacher, hear about plans for the year, and ask questions. Two sessions are available before we gather in the gym for a group meeting. Below are the current dates. Times have yet to be finalized.

- K-5th is Tuesday, September 17th.
- Middle School is Thursday, September 19th.

**Please remember to communicate any absences by 8:00 am.** There are two ways to do this - email the office staff at [schooloffice@seas-school.org](mailto:schooloffice@seas-school.org) or call 651-437-3098.

**The Summer Reading Challenge is ending soon!** Don't forget to record your minutes read on the Summer Reading Log Google form, which can be found on our website's homepage or by clicking [here](#) or on our website.

**Got a copy of Wonder by R.J. Palacio that you don't need?** Our 5th graders are doing a unit on this book this year, an excellent book for comparing and contrasting two or more characters, settings, and events, which is a 5th grade reading standard. You can donate a gently used copy by sending it to the office.

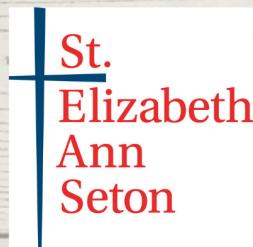

**God bless you all and have a great week,**

**Mr. Sullivan**
