News

Happy 2025! I hope everyone had a blessed and wonderful Christmas and New Years. I hope you had some time to relax and enjoy Christmas break. We have so much planned for the new year! Please watch for information coming home later this month about preschool open house, kindergarten open house and registration for next year. Catholic Schools Week is January 26th – February 1st. We will have a lot of fun events planned for that week.

Just a reminder to label ALL your preschooler's winter gear. It is very busy in the hallway when they are getting ready to go outside and sometimes things get mixed up. If there isn't a name on something, it might end up with the wrong preschooler.

Upcoming Events

1/01	Happy New Year!
1/04	St. Elizabeth Ann Seton Feast Day
1/06	School Resumes
1/08	Winston's ½ Birthday
1/13 & 1/14	Library Day

Welcome back,
we missed you!

Fun Stuff

On Friday, January 17th we will be having a special visitor come to preschool! The Science Crew will be here to teach the preschoolers about animals and their footprints. We were able to have this in-house field trip, which will be free of charge, because of our grant from Parent Aware! All preschoolers are welcome to join, even if it isn't your scheduled school day. More information will be coming soon! It should be a fun morning!

There will be another science class in April, if you can't make it to this one. Check out their website at thesciencecrew.org
