

## NEWS

What an exciting and eventful beginning of 2025 we have had already! Catholic Schools Week was so much fun! The preschoolers were busy with the different dress up days, they made special crowns and they even got to have a special treat. Ms. Jen's class was lucky enough to go visit the big school and they had so much fun! February will continue to be a busy month here at preschool. Our Valentine parties will be coming up soon. Mrs. Lillie's Class will celebrate on Thursday, February 13th and Ms. Jen's Class will celebrate on Friday, February 14th. Please look for specific information from your child's classroom teacher.

Coming up in March we will talk about community helpers. If you or someone you know has a unique job and they would like to come speak to the preschoolers about it, please let me know.
