Where are you from in Japan?

I am from Kyoto, born and raised in Central Kyoto City making me a real Kyotoite!

Where is your favorite place to go in Japan?

I like to visit "onsens" - natural hot springs - throughout the year. I especially love the open-air baths called "rotenburo". I truly enjoy relaxing in the big tub with a nice view.
[onsen: 温泉(おんせん) rotenburo: 露天風呂(ろてんぶろ)]

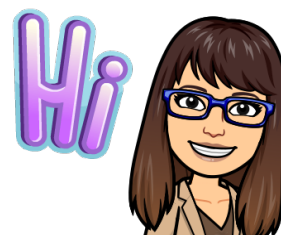

What is your hobby and who would you like to meet (dead or alive), and why?

I like to listen to music such as classical music, bossa nova and jazz. I also play the piano which is the most delightful time for me. I wish I could meet Kenji Miyazawa, who is one of my favorite authors as I am always inspired by his stories.

How would your friend describe you?

They would probably describe me as an "active and fun" person. I love traveling and I am good at making personal trip plans. My friends always count on me when it comes to travel arrangements!
