## Temporary Role for Michael Compton

We're delighted to announce that Rev. Shirley has engaged Michael Compton, PhD, for a limited term to assist with duties in the worship and pastoral care areas while we reassess staffing needs in light of Rev. Darren's departure and adapt the church to ongoing COVID realities. Michael will begin Monday, June 29. His term is renewable on a monthly basis for up to three months. Thank you CCE for making it possible, even in uncertain times, to continue together doing God's ministry in the name of Jesus Christ.

- Work with the vestry task team working on rebuilding the lay worship volunteer teams and scheduling procedures (Jen Wasik, Kathy Theado, Roge Smith).
