## Fully Accredited University School #1040-1

### ABOUT THE SCHOOL

- Fully Accredited University (US Dept of Ed and CHEA).
- The school is equipped to provide F-1 visas, enabling sponsorship for visiting international students, as well as J-1 visas for professionals and scholars. Furthermore, the school has the capacity to offer CPT and OPT programs.
- Acquiring this school presents a unique chance to save five years' worth of effort in obtaining licensing, accreditation, and immigration approvals. The market has seen significant international enrollments, with untapped potential in domestic enrollment and the establishment of satellite campuses abroad. Additionally, VA funding options become viable upon purchase. With a well-structured marketing strategy, the school possesses the capability to swiftly increase its enrollment numbers.

LISTED AT

**\$6,599,999**

 California

### SCHOOL FEATURES

- While all the programs offered are business-related, approval has been granted for conducting Healthcare Information System programs as well.
- VA and Title IV are possible after purchase
- The Owner is retiring and will assist the Buyer during the transition.
- Two Campus Locations

#### Revenue

- Peak enrollment in 2016 saw over 1,500,000 a year in revenue.
- Student tuition is projected to be \$450,000 to \$500,000 for 2023 with current enrollments.
