Hear the trolley bells go "Ding, Ding"? That's PBS Kids' Daniel Tiger! He's going to be at the Rockhill Trolley Museum this Saturday, from 10 to 6 for the Orbisonia-Rockhill Homecoming!

Daniel Tiger is excited to meet all the kids and he wants to help the trolley volunteers raise $90,000 to restore our most popular trolley, the "Open Rio Car 1875 [eighteen-seventy-five]." It is a Pennsylvania Brill trolley, built in 1912 in Rio de Janeiro and it has operated here since 1965. It's just like the trolley from PBS TV's Mr. Rogers' Neighborhood. Daniel Tiger and WPSU TV's Carolyn Donaldson will also give each child a WPSU activity book and PBS KIDS stickers. Photos will be taken in front of real trolleys!

Don't miss riding the antique trolleys or visiting the Museum Store, Carbarns and Pavilion or the kids activities, food and free concerts in the Lions' Park.

Rockhill Trolley Museum is open every Saturday and Sunday, across from the East Broad Top Railroad's Orbisonia Station in Rockhill Furnace for over 50 years!

Homecoming trolley rides are $10 and under 2 is free! Check RockhillTrolley.org or call 814-447-9576!
Listen to the "Ding, Ding" or the toots, gongs and whistles of the trolleys…and visit PBS Kids' Daniel Tiger this Saturday!
