

PRESS RELEASE

Trail Stakeholder Planning Workshop for the Main Line Canal Greenway

An informal **Trail Stakeholder Planning Workshop for the Main Line Canal Greenway** will be held **Tuesday, December 5th, 2017** from **5:00pm to 7:00pm** at the **Huntingdon County Historical Society** at 100 4th St., Huntingdon, PA 16652

The **Allegheny Ridge Corporation**, in coordination with **Huntingdon and Mifflin Counties** is working with **Campbell Thomas & Co.** and **Laird LA** to prepare a Trail Feasibility Study for the Main Line Canal Greenway.

You are cordially invited to attend this informal stakeholder planning workshop for the Main Line Canal Greenway Trail Alignment, where the project team will present a general overview of the study corridor between Alexandria, Huntingdon and Lewistown. This overview will be followed by a stakeholder work session to gather input and ideas before commencing any design work

Your ideas and opinions are necessary for this study. Your attendance is most desired, and your assistance in inviting others to also attend will be much appreciated.

For more information, please contact:
