CHICAGO LEAD PROVINCIAL CONFERENCE 2025

On February 21-23, 3 LCOB students represented Marshall University at Delta Sigma Pi's 2025 North Central LEAD Provincial Conference in Chicago, IL. Our students in attendance were James Buskirk (ACC/FIN/MGT senior), Isabel Horter (MKT senior), and Jamison Lewis (1st-year MBA student). They had an amazing experience at this conference, networking with student and professional brothers from across the U.S., developing their business skills and fraternity knowledge at workshops/business sessions, and exploring landmarks throughout Chicago.

Also, Isabel was recognized as Delta Sigma Pi's 2025 East Central Regional Collegian of the Year, recognizing her outstanding service to the Fraternity in many chapter positions over the past 4 years. She also became the first-ever brother from Marshall's chapter to receive the regional award, earning this recognition over candidates from many much larger chapters. Congrats to Isabel!

EVENTS HAPPENING IN MARCH

While we celebrate our events and accomplishments from the month of February we have some fun and creative events to look forward to for the month of March.
We will also be hosting a Chipotle fundraiser on March 5th between the hours of 4-8 pm. To help us raise money for our chapter to keep hosting our events and attending our conferences. Show the flyer to the right when you check out in person or use the code on the flyer for mobile to help part of your meal gets donated to us.
We will be hosting a personal branding event hosted by Lyida Waybright from NorthWestern Mutal on March 6th at 6 pm in SBUS room 109. These events are open to anyone in the College of Business who might be interested in the event.

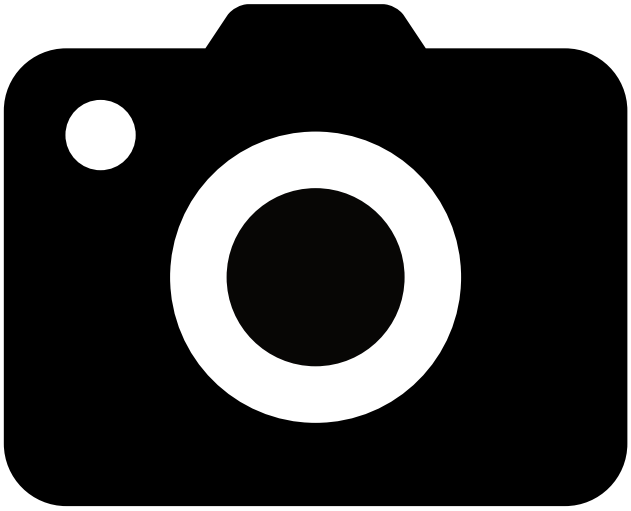

IN MEMORY

As we take time to link about all of our accomplishments and events that have happened over the last month the Xi Upsilon chapter of Delta Signa Pi also wants to take a moment to reflect on the passing of one of our members and former student and of the Lewis College of Business. Dr. Margie McInereny was a dedicated professor in the College of Business for over four years. With her contributions to the management field especially in the Management and Health Care Administration and to Marshall University her legacy will have a lasting impact on our community as a whole.

You will be missed, Dr Margie McInerney. - DSP
