As we get ready to start Fall 2025 semester, we want to reflect on Collegiate Brother Clare Walker's achievements this summer. She had the opportunity to network with over 1000 Brothers (Collegiate and Alumni).
There, she was also able to attend professional workshops, voting on critical Legislation, and celebrate 50 years of women who have been initiated within Delta Sigma Pi, which is a huge milestone that should be celebrated with joy!

RECRUITMENT

As we start Fall 2025 semester, we have lots of work to do, and we have already hit the ground running with various recruitment events.

Our first being the Inaugural Leaders of Lewis event where Marshall University business majors could sharpen their leadership skills in workshops.

On August 26th a paint night was hosted for anyone interested in joining Delta Sigma Pi to come and get to know the Brothers in a fun and casual setting.

A movie night was hosted in the Envoca auditorium on August 29th for all students to come hang out and relax after a rough first two weeks of class.

We really want to highlight that this Tuesday, September 2nd is an important recruitment day as we host a general Info Session regarding Delta Sigma Pi for anyone who has expressed interest this far into Fall 2025.

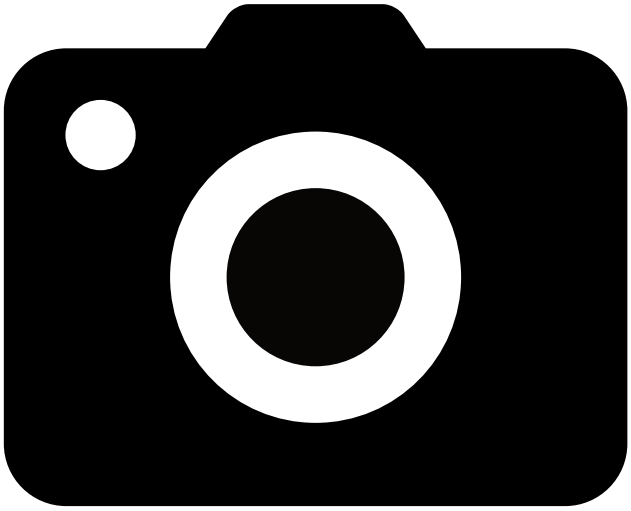

Please check out the flyer for more events we will have this semester.

Lastly, please contact Clare Walker by October 13th if interested in joining our chapter.
