TLO Together

Weekly Newsletter

Volunteers needed:

Both adult & high school volunteers are needed to provide childcare during the God*Connects* classes we are offering! Please consider volunteering for 1 or more Saturdays. At least one adult needs to be helping with any childcare that TLO provides. High school students can use this opportunity toward service hours they may need. All volunteers will need to have been trained or previously trained in the TLO Child Abuse Protection Policy. This may be done online (90 min.) or in person (45 min.). Please contact Lynn Kroonblawd (kroonblawd86@q.com) no later than Sun., Oct. 2 if you can help in this area.
