### TLO FACULTY PARTICIPATES IN PROFESSIONAL GROWTH RETREAT

**September 2016**

The TLO faculty and Pastor Kroonblawd participated in a professional growth retreat on August 15 & 16. This was held off site at Trinity Lutheran Church in Farmington.

While a small amount of time was dedicated to “nuts and bolts” issues, the vast majority of time was dedicated to the professional growth topic.

The topic was, and will continue to be during the school year, **teamwork**. The template for the two days' discussion was a book written by John Maxwell. This Maxwell book is *The 17 Indisputable Laws of Teamwork*. During the two days we had time to address only eight of the 17 laws. That leaves nine laws for the teachers to process during the course of the school year (one per month).

We all have something to learn from good, Chris-

tian, information about teamwork. That's why many of the 17 Laws will be highlighted in this space during the fast approaching school year.

Sometimes teamwork is elusive, but it is also very rewarding when we are willing to work at making it happen. We'll explore that together. Thank you for coming along on that journey. I pray God's best blessings on a great school year!

### Call Update

The Board of Education is set to resume a search for a permanent principal in about October. Some names will be revisited while other names will likely be added to the list of potential candidates. Congregation members are again offered the opportunity to submit names for the Board of Education to consider. Any names should be submitted to the school office in writing with contact information for both the candidate and the person submitting the name.

### I AM

You are always welcome to join the students of TLO at chapel each Wednesday morning at 8:10 am in the sanctuary. When you do, expect to hear the worship leader talking about one of the **I AM's** from scripture.

For example, September will feature two: **I AM who I AM** and **I AM the Way, the Truth, and the Life**. October is **I AM the Alpha and Omega**.
