(architecturaldigest.com)

NHance®

What is N-Hance?

The Cabinet Makeover Experts

N-Hance Wood Refinishing offers a unique and proprietary solution for customers looking to refresh their kitchen style without the challenges, mess, and expenses of a complete remodel. We can transform existing cabinets with a new color, style, and enhanced functionality, installing new doors on existing boxes and refinishing everything for a completely different look. Plus we can even improve cabinet functionality with features like pull-out trash and other organizational accessories.

Full-Service Cabinet Makeovers

N-Hance is **Built-to-Scale**

At N-Hance, we simplify the business ownership process and provide support from industry experts along the way. Our goal is to make your path to owning a cabinet makeover franchise as stress-free as possible, and we do so through our proven business model that's built to scale.

Advantages of our Business Model:

Built-in network
of potential referral
partners

Proprietary
processes & top tier
products

Large, protected
territories

Low
overhead
costs

Benefits of **Joining Our Team**

Comprehensive Training

Initial and ongoing training programs are led by in-house experts with extensive industry experience in research and development, business operations, sales, and marketing.

Ongoing Business Coaching

N-Hance franchisees have a dedicated Franchise Business Coach to guide you through day-to-day challenges, navigate your local market, and help you maximize your business's success.

Local Marketing Support

We've designed a business marketing package for new owners that will help you establish a presence, educate customers, and begin generating leads in your local market.
