

N-Hance

Candidate Talking Points

N-Hance is Ranked Among the Top 400 Franchise Brands.

- Franchise Times Magazine

THE PARENT COMPANY - 14 Brands • 35+ Countries

Before I highlight what this business is all about, let me tell you about the parent company. BELFOR Franchise Group is one of the world's largest residential and commercial services franchisors and they're now offering more opportunities than ever for service-driven entrepreneurs looking to find the right business for them.

When you choose to join the BELFOR Franchise Group family, you can rest assured knowing that they are committed to helping local business owners thrive and prosper. They have dedicated teams of technical instructors, operational coaches, and marketing professionals that are truly passionate about providing comprehensive training and ongoing support to help you and your business flourish.

WHAT IS N-HANCE?

Let's discuss a great Service Franchise Opportunity. It operates within the \$450 Billion Home Improvement Industry and specializes in Kitchen, Bathroom & Wood Floor Remodeling.

Kitchen remodels bring big returns on investments. Even minor remodels deliver an 80.5% ROI

- Washington Post

N-Hance Wood Refinishing opened for business in 2001 and has been franchising since 2006. The company has been around over 20 years and can leverage the expertise gained to grow your business

These people are Experts in Cabinet Makeovers! They refinish over 10,000 kitchens every year, offering services including cabinet refinishing, color changes, cabinet door replacement and kitchen organizational solutions.

Kitchens are the heart of the home - and the home investment! But the renovation process in a kitchen can be a daunting task. N-Hance makes it simple by providing a solution that is less disruptive, less costly and quicker than other alternatives - all with a great ROI for the franchisee and customer.

The Average Top Line Revenue for the top quartile of franchisee exceeded \$1.3 Million

- 2024 FDD Item 19

Proprietary refinishing solutions, offering a greener way of kitchen renovation! Only N-Hance franchisees can offer our Multi-Layered Coating System, which provides a much higher level of protection and durability compared to traditional painting.

FINANCIAL STATS ON N-HANCE

SIZEABLE REVENUE - Average Annual Topline Revenue of the top quartile of franchisees is **over \$1.3 Million** (2024 N-Hance FDD Item 19)

LARGE JOBS - Jobs typically range in size from \$5,000 to over \$15,000

FINANCING AVAILABLE - The company provides in-house financing of the initial fee and initial equipment package. Third party financing of the initial equipment package and vehicle is also available.
