CHASE  **for BUSINESS[®]**

- 1 Offer applies to new lines greater than \$10,000 and up to \$500,000. Lines will be evidenced by Chase's standard documentation for the Chase Business Line of Credit and are subject to credit approval. Offer not valid to customers with an existing Chase Business Line of Credit, or in combination with any other credit offer. Application must be received by the offer expiration date and the line must be opened within 60 days of that date to be eligible for this offer. Chase may ask for additional information as your request for credit is processed.

The outstanding balance on all lines accrues interest at a variable rate based on Chase's Prime Rate plus or minus a margin. The promotional pricing offer is the Prime Rate plus 0% for six months, and then standard pricing will apply for the remaining fifty-four months. The margin in effect after the promotional period will be established at the time of your final credit approval. The Prime Rate is announced by Chase and may change without notice. The Prime Rate can be obtained by calling 1-800-CHASE38. Your margin will depend on such factor as the credit profiles of the business and any guarantors, the line amount, and the collateral in which Chase can obtain first lien position to secure the line.

Product available in the following states: AZ, CA, CO, CT, DE, FL, GA, ID, IL, IN, KY, LA, MA, MD, MI, NJ, NV, NY, OH, OK, OR, PA, TX, UT, VA, WA, WI, WV.

We will mail your Rewards Program Agreement once your account is established. If you become a Chase Online customer, your Rewards Program Agreement will also be available after logging in to chase.com/ultimaterewards. **Cash Back and Points:** "Cash Back rewards" are the rewards you earn under the program. Cash Back rewards are tracked as points and each \$1 in Cash Back rewards earned is equal to 100 points. You may simply see "Cash Back" in marketing materials when referring to the rewards you earn. **How you can earn points:** You'll earn points when you, or an authorized user, use an Ink Business Unlimited card to make purchases of products and services, minus returns or refunds. Buying products and services with your card, in most cases, will count as a purchase; however, the following types of transactions won't count and won't earn points: balance transfers, cash advances and other cash-like transactions, lottery tickets, casino gaming chips, race track wagers or similar betting transactions, any checks that access your account, interest, unauthorized or fraudulent charges, and fees of any kind, including an annual fee, if applicable. **1.5% Cash Back:** You'll earn 1.5% Cash Back rewards for each \$1 spent. **How you can use your points:** You can use your points to redeem for any available reward options, including cash, gift cards, travel, and products or services made available through the program or directly from third party merchants. Redemption values for reward options may vary. **Points expiration/losing points:** Your points don't expire as long as your account remains open, however, you will immediately lose all your points if your account status changes, or your account is closed for program misuse, fraudulent activities, failure to pay, bankruptcy, or other reasons described in the terms of the Rewards Program Agreement.

- 5 **Rewards Program Agreement:** For more information about the Ink Business Preferred rewards program, see the latest Rewards Program Agreement at chase.com/inkbusinesspreferred/rewardsagreement. We will mail your Rewards Program Agreement once your account is established. If you become a Chase Online customer, your Rewards Program Agreement will also be available after logging in to chase.com/ultimaterewards. **How you can earn points:** You'll earn points when you, or an authorized user, use an Ink Business Preferred card to make purchases of products and services, minus returns or refunds. Buying products and services with your card, in most cases, will count as a purchase; however, the following types of transactions won't count and won't earn points: balance transfers, cash advances and other cash-like transactions, lottery tickets, casino gaming chips, race track wagers or similar betting transactions, any checks that access your account, interest, unauthorized or fraudulent charges, and fees of any kind, including an annual fee, if applicable. **1 point:** You'll earn 1 point for each \$1 spent. **3 points ("3X points"):** You'll earn 3 points total for each \$1 of the first \$150,000 spent each account anniversary year on combined purchases in the following rewards categories: shipping; advertising purchases made with social media sites and search engines; travel; internet, cable, and phone services (two additional points on top of the 1 point per \$1 earned on each purchase). After \$150,000 is spent on combined purchases in these categories each account anniversary year, you go back to earning 1 point for every dollar spent, with no maximum. **How you can use your points:** You can use your points to redeem for any available reward options, including cash, gift cards, travel, and products or services made available through the program or directly from third party merchants. Redemption values for reward options vary. **Points expiration/losing points:** Your points don't expire as long as your account remains open, however, you will immediately lose all your points if your account status changes, or your account is closed for program misuse, fraudulent activities, failure to pay, bankruptcy, or other reasons described in the terms of the Rewards Program Agreement. **Rewards Categories:** Merchants who accept Visa/MasterCard credit cards are assigned a merchant code, which is determined by the merchant or its processor in accordance with Visa/MasterCard procedures based on the kinds of products and services they primarily sell. We group similar merchant codes into categories for purposes of making rewards offers to you. Please note: We make every effort to include all relevant merchant codes in our rewards categories. However, even though a merchant or some of the items that it sells may appear to fit within a rewards category, the merchant may not have a merchant code in that category. When this occurs, purchases with that merchant won't qualify for rewards offers on purchases in that category. Purchases submitted by you, an authorized user, or the merchant through third-party payment accounts, mobile or wireless card readers, online or mobile digital wallets, or similar technology will not qualify in a rewards category if the technology is not set up to process the purchase in that rewards category. For more information about Chase rewards categories, see www.Chase.com/RewardsCategoryFAQs.
