

HUNTERDON COUNTY YMCA 11TH ANNUAL COAT DRIVE

2021 FOCUS WILL BE HELPING FAMILIES IN LAMBERTVILLE AND CHILDREN THROUGHOUT HUNTERDON COUNTY

Dear Community Partners and Friends,

We are happy to share that we are once again hosting our annual coat drive. This year in addition to the children we are requesting new adult coats for our neighbors in Lambertville who have lost everything as a result of hurricane Ida. We are reaching out to you today to ask for your help in spreading the word about the Drive and Distribution as well as asking you to make a donation of a new coat.

⇒ We remain committed to hosting a safe coat drive for all as COVID-19 continues to be an issue. We will be requesting new coats only. We have created a coat gift list on Amazon which donors can easily choose from to make a coat donation. We are also accepting gift cards to local businesses to fulfill the coat request (Examples, but not limited to Walmart, Burlington, Kohl's)

⇒ We are focusing on collection on children coats only (with the exception of families in Lambertville devastated by Hurricane Ida).
⇒ Individuals that are interested in receiving a coat from the drive must submit a request form. Distributions will be first come first served. We are partnering with schools and other local agencies to identify children that may need a coat this winter.

Please share this donation request letter and or flyer within your contact circles and or direct a family in need to the YMCA website for the coat request form.

Help a child stay warm this winter by making a coat donation.

We thank you in advance for your help and generosity as we work together to help those in need within our community.
