

August 12, 2018

Greetings,

I hope that this letter finds you well. My name is Casey Ransone, and I am the head football coach at Hunterdon Central High School. Our football program is currently organizing a military, police, firemen, and EMT appreciation night prior to one of our home football games. We want you to know that we appreciate and support your commitment to protecting our way of life. Former President Bush said it best, *"Most people would do anything to protect their family, but it takes someone special to protect ones they don't know."* You all play an integral part in our society, and without your service, chaos would reign. Our program has many friends and family members who serve or have served our country and community. It is extremely important for our program to say thank you for all that you do.

I would personally like to invite you and your families to be a part of the pre-game ceremony and festivities set for **Friday September 28th**. We will kick off the event at 5:00pm with a tailgate for all of our military, police, firemen, EMS and family members. The tailgate will include complimentary food and refreshments for all who attend. Prior to the game, we will escort our honored guests to the field for a short ceremony thanking them for their service. Please RSVP to Anita Falvo by September 10th if you are able to attend.

We look forward to seeing you and offering our hand in gratitude. Thank you for your bravery and commitment to the greatest country in the world. God Bless the USA.

All The Best,

Casey Ransone

Head Football Coach Hunterdon Central Regional High School
