

## **Hunterdon Parks Advisory Committee Endorses Open Space Plan**

Calling Hunterdon County's proposed Open Space Strategic Plan 'well thought out and comprehensive,' the Hunterdon County Parks and Open Space Committee (POSAC) endorsed the document that calls for the preservation and protection of 4000 more acres of open space over the next decade.

POSAC Chairman Earle Steeves noted, "The plan calls for greater connectivity between county parks and open space parcels and the creation of four additional general use parks over the next decade. POSAC is extremely supportive of those goals.

We are also pleased that the Freeholders and Planning Board continue to reach out to the public and invite public comment on this well thought out and comprehensive proposal."

The Hunterdon County Planning Board will hold a public hearing on the draft Open Space Plan on October 18th, at 7 pm, at the County's Route 12 Complex, in Raritan Township.
