

St. Bart's Annual Stewardship Campaign

**ONE CHURCH
ONE BOAT
ONE RIVER**

A lot happened at St. Bart's in 2026!

- Launched a weekly "Free Farmer's Market" in partnership with Feeding San Diego
- Hosted a Rotational Shelter for some unhoused families in the first two weeks of February
- Launched a weekly Bible Study and a monthly service at Silvergate Rancho Bernardo
- Added a part-time bookkeeper and children's minister to our staff
- Continued the Fig Tree podcast with over 1,000 listens
- Was selected to host the 2026 Diocesan Convention
- Initiated plans to add a Labyrinth to our chapel patio before Advent
- Offered several incredible concerts and another Musical Theater Summer Camp
- Expanded transportation offerings, adding both a new Bartmobile and an Outreach Van

As we look forward to 2027, we believe that we can continue the good work from previous years and, with God's leading, do even more!

Why pledge?

"All are welcome, no exceptions!" - At St. Bart's, we pride ourselves on being a welcoming and loving faith community where *all* are welcomed into the family of God. Every year, we renew our faith and bring others to know God through worship, study, service, and community. Our annual pledge of financial support is an act of faith and worship in gratitude to the God who has given us everything.

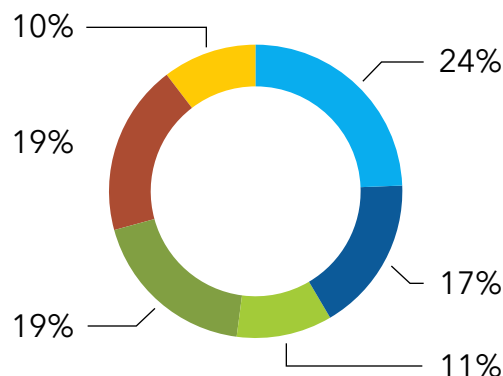

In 2026, we received \$922,200 in pledges, with 73% of households pledging. This year, we hope for even greater participation! Reaching our Stewardship Campaign goal this year of \$970,000 (an increase of 5%) will enable us to have a balanced budget, expand our worship and formation offerings for adults and children, and continue to implement our strategic plan.

By pledging, we can each do our part as a member of the parish, supporting one another and supporting our community. We can truly be "One Church, One Boat, One River."

Pledges from our annual stewardship campaign contribute 80% of our operating budget, which funds all salaries, utilities and maintenance, worship, ministry, and programs.

What is a typical gift?

Many parishioners will ask how much they should pledge—but the answer depends entirely on the person! **The right size of pledge is the number that you have prayed about and feel you want to offer to God as an act of worship and trust.**

Proportional Giving – Many parishioners choose to make a proportional gift, which is a set percentage of their income. By making a proportional gift, we can offer to God our “firstfruits,” a dedicated portion of our income which we offer back to God in trust and faith. Historically, many Christians have used 10%, but many new to proportional giving start with 5%, 3%, or even 1%.
