

Come and Experience Cursillo!

Cursillo—meaning “a short course in Christianity”—began in post–Civil War Spain as a way to renew faith and Christian community. Since then, it has spread around the world, touching lives and strengthening the Church.

Cursillo candidates are invited to attend an all-expenses-paid weekend where they learn about the Cursillo movement and, most importantly, experience the love, warmth, and welcome of the Cursillistas—people who have previously participated in Cursillo. At the heart of the three-day weekend is a series of talks called “rollos.” Through personal stories centered on Christ, participants are invited to deepen their faith, discover new insights, and grow in their understanding of the Holy. The weekend is filled with joy, Christian fellowship, learning, listening, reflection, and prayer. Participants return home renewed and empowered to live out their faith more fully and to serve their church, their community, and the world.

Our next Cursillo weekend will be February 18-21, 2027, beginning Thursday evening and concluding Sunday afternoon, in the beautiful mountains outside Julian. Come and discover how a weekend of faith, fellowship, and Christian love can make a difference in your spiritual journey!

Curious about Cursillo? Interested in learning more? Please contact your parish representative, Christine Attoun, cattoun858@gmail.com.
