Meet Our President

My name is Glenn Rice and I am very pleased to be Berkshire Christian's new President! As a 1981 graduate of BCC, it is my privilege to serve the Lord where I was blessed to receive a strong foundation in my Christian faith. Since 1897 Berkshire Christian has been at the forefront of training leaders for the Advent Christian Church, and that commitment continues today.

I am passionate to see new generations of church leaders raised up and I believe that Berkshire Christian has a key role to play in developing these future leaders. Through our partnerships, online courses, and local learning centers, we are fulfilling this God-given vision. Thank you for supporting this ministry through your prayers and gifts. By God's grace our partnership in this effort will be fruitful, to the glory of his name!
