

Handling Non-Bulk Hazardous Materials Webinar

October 15, 2020, 9:30 am-11:30 am

Course Description:

Hazardous materials--if you sell it, store it, load it, drive it, touch it or simply handle the paperwork, you must be HazMat trained.

U.S. Department of Transportation 49 CFR §174.704 requires that hazardous materials training must occur **within 90 days of hire AND every three (3) years thereafter.**

Michigan Trucking Association VIRTUALLY presents Handling Non-Bulk Hazardous Materials, Thursday, October 15, 2020. This class fulfills the four required areas of USDOT HazMat training: general awareness, safety training, function specific training and security awareness.

Presented live via Zoom, the webinar link and pocketbook will be mailed before the presentation.
