

**Your \$1,332 Gift
Can Help Reclaim
A Refugee's Future**

**Double Your Impact:
\$25K Match Challenge!**

We are thrilled to announce a generous **\$25,000 matching gift** from an anonymous foundation for the next two weeks! This means that every dollar you donate is multiplied, making your contribution go twice as far. With your help, we form a strong community of compassionate people who believe in the power of kindness and the potential for change.

Imagine fleeing your home, leaving everything behind, only to legally arrive in a new country without support you were promised. This is the reality for many refugees in our community.

Every day, refugees in our community face an uncertain future. The recent suspension of the U.S. Refugee Assistance Program has left hundreds of vulnerable families without critical support they were promised. These are people who have already endured unimaginable hardships – and now, they need our help more than ever.

THE HARSH REALITY

1

430 refugees who legally came to our community need immediate assistance.

2

Essential services like housing, food, and basic needs are at risk.

3

Without our help, families may face homelessness and hunger and despair, impacting economic stability.

THE ECONOMIC IMPACT

- The National Bureau of Economic Research (NBER) found that refugees pay an average of \$21,000 more in taxes than they receive in benefits over their first 20 years in the U.S.
- With the support of Samaritas, 86% of refugee families become self-sufficient within 8 months of their arrival.

YOUR RIPPLE EFFECT

For just **\$1,332**, you can make a meaningful difference for one of the refugees we are fighting to serve and help provide them with life-changing support for their first 90 days in the United States.

Please also **double your impact by sharing this urgent need** with others you know will also want to help.

Your generosity can transform their lives, offering them a chance at a brighter future.

This is more than a donation – it's a lifeline.
