STRENGTHS MODEL CARE MANAGEMENT WORKSHOP

– A Virtual Training –

January 24, 25, 27, 2022
9:00 am – 1:00 pm (PST)

Ready to enhance your care management practice through a strengths-based, recovery-oriented framework? Join us and learn how to use the tools, methods, and inventions of Strengths Model Care Management to increase your effectiveness in engaging and aligning with people in their recovery journey. Strengths Model Care Management is an evidence-based practice that has been demonstrated to be effective in improving life outcomes for people with serious mental illnesses, including those with co-occurring substance use disorders. This workshop is intended for case managers, clinicians, case management supervisors, and peer support workers.
