

# **CRITICAL CONVERSATIONS: OFFERING TRANSGENDER EQUITABLE CARE**

## **– A Virtual Training –**

**Feb 17, 2022**  
**10:00am – 12:00pm (PST)**

This training will focus on gender-affirming care through an intersectional behavioral health equity lens that centers Black, Trans, and Queer identities. It will focus on 1) how to break down barriers and build trust with Black, Trans, and Queer individuals and 2) build participant knowledge about provision of trans competent care as well as strategies and action steps for provision of this care.

### **Trainers**

**Judah Joselyn**

**Adèle James, MA, Adèle James Consulting LLC**

### **Target Audience**

Behavioral health care leadership, administrators and managers, ethnic services managers, peer professionals, clinical supervisors, clinicians/direct care providers, and care managers.

### **Learning Objectives**

As a result of attending this webinar, participants will be able to:

1. Define at least 3 unique behavioral health challenges/barriers faced by Black, Trans, and Queer individuals.
2. Define at least 3 critical factors for the provision of equity focused trans competent behavioral health care.
3. Describe at least 3 strategies for effective communication with Black, Trans, and Queer individuals.
4. Identify 2 action steps for implementation of equity focused trans competent care.

### **Cost**

- The cost of the webinar (CEs included) is \$70 per person. Register early. Attendance is capped at 100 participants to allow time for small group work and experiential learning.

- Click on the **REGISTER** button for more information about the program and CE credits, and to register today.
