Veteran's Day falls annually on November 11, it is when we honor those who have served in the United States Armed Forces. It also coincides with Armistice Day and Remembrance Day, which mark the end of World War I. On the 11th hour of the 11th day of the 11th month in 1918, World War I ended. This day became known as "Armistice Day." In 1926, Congress resolved to officially call November 11th Armistice Day. Then in 1938, the day was named a national holiday. Soon afterward war broke out in Europe, and World War II began. Soon after the end of World War II, a veteran of that war named Raymond Weeks organized "National Veterans Day" with a parade and festivities to honor all veterans. He chose to hold this on Armistice Day. In 1954, Congress officially passed and President Dwight Eisenhower signed a bill proclaiming November 11 as Veteran's Day.  VETERANS DAY
