Have you had a MENTOR who has made a significant difference in your life or career? What if that individual never stood up and volunteered to help you...Would *you* be where you are today?

Here's your chance to give back and 'pay it forward'. Become a MENTOR to help a Provisional member with:

- Career Guidance and Advice
- Industry Support and Information
- Training Opportunities
- IDA Membership applications, Log Book or Experience Verification sign off
- Industry Networking
- Goal Setting and Motivation

Encourage emerging designers who will become the future leaders of design and help shape the future of our profession.

Mentoring only takes on average a few hours per month and makes a huge difference to someone.

Contact the IDA at [info@idalberta.ca](mailto:info@idalberta.ca) to join the program and get paired with a Provisional member today!
